

2 additional steps for Posting results at Polling Place

11.4 Accumulating Election Results (Continued)

16. "Need another copy?" will appear on the screen. Press **NO**. ^{YES}
17. Second copy will print (Who signs?)
18. Post second copy at Polling Place.
19. **17** The Accumulator screen will appear.

WARNING!! The Orange Label should be facing away from you. You should see the GREEN stickered dot as you are inserting the Memory Card.

Ending the Election on the Electronic Voting Unit

18. Insert the Zero Memory Card (Orange Label) into the Zero Unit.
19. Once the Zero Memory card is in the Zero Unit, Press the **Export Results** button. Press **OK**.
20. "Exporting Accumulated Data, Please Wait" will appear on the screen.
21. "Export Results complete" will appear on the screen. Press **OK**.
22. The unit will return to the Accumulator screen.
23. Remove the Zero Memory Card from the unit.
24. Remove the Accumulation report and wrap it around the Zero Memory Card. *who signs?*
25. Place the Zero Memory Card into the First Precinct's Clear Memory Card Bag.
26. Press the **Close** button on the unit.
27. "Are you sure you want to shut down this voting terminal?" will appear on the screen. Press **YES**.

Operation complete; please remove the memory card.
